 - 1.3.1. The Account(s) cannot be overdrawn.
 - 1.3.2. Outpayce will (i) keep separate records for each of the Payment Transaction carried out by the Customer and (ii) safeguard the funds¹ received corresponding to the balance of the Account(s), in one or more segregated bank accounts separately from Outpayce’s funds, in accordance with the Applicable Law(s).
 - 1.3.3. Dormant Account(s)
 - (i) An unused Account(s) for a 90-day period will be considered dormant.
 - (ii) From such moment, Outpayce will keep such dormant Account(s) for an additional period of twelve (12) months in which the Customer may contact Outpayce to withdraw the E-money.
 - (iii) In case the withdrawal has not been requested as per limb (ii) above, Outpayce may close the dormant Account(s) and transfer the unclaimed balance to the Customer’s bank account. In absence of Customer’s bank account, Outpayce will make the unclaimed balance available to the Customer (either at its headquarters or by depositing the balance in the Customer’s name in a demand account with a credit institution authorized to receive repayable funds from the public, subject to prudential supervision and domiciled in a Member State of the European Union).
- 1.4. Card(s)
 - 1.4.1. The Card(s) is issued on the name of the Customer and linked to the Account(s).

 - 1.4.3. The Card(s) are virtual cards that can only be used for Payment Transactions through channels that do not require the physical presentation of the cards (e.g., telephone or internet).

¹Such funds will not be mixed at any time with the funds of any other natural or legal person and will be deposited in a separate bank account held by Outpayce, which will be called “customers’ balances”, as stated in Royal Decree 736/2019, of 20 December on the legal regime of payment services and payment institutions (“**RD 736/2019**”). The Customer -as holder of the funds- has a right of separation with respect to possible claims by any Outpayce’s creditors, particularly in the event of insolvency. Therefore, in such event of insolvency, the funds safeguarded will not be part of the active mass, but they will be funds owned by the Customer not affected by any insolvency proceeding.

1.5. E-money

- 1.5.1. The E-money linked to the Account(s) (i) will not expire; or (ii) will not earn or generate interest or rewards.
- 1.5.2. The Customer may request a redemption at any time and at face value of the monetary value of the available E-money to the same bank account or card used for the issuance of such E-money and in the same currency in which the deposit was made, provided that the funds are not allocated to Payment Transactions. Outpayce reserves the right to request further information from Customer to provide the Issuing Solution(s) or to comply with Applicable Law(s), Guidelines, Industry Mandates and PCI DSS. - 4.1.1. amend, modify, remove, discontinue, replace, substitute, upgrade or enhance the functions and components of, and the data provided through, all or any element of the Issuing Solution(s). 5. Receiving payments and loading funds into the Account(s)

- 5.1. To fund the Account(s) and for Outpayce to subsequently issue the equivalent E-money, the Customer will transfer the funds from the relevant Customer's bank account using the correct and dedicated International Bank Account

Number (IBAN), which will be provided by Outpayce. Otherwise, Outpayce may not be able to credit the Account(s). Outpayce will not be responsible for the arrival of funds and will not be liable for any losses incurred by Customer as a result thereof, although Outpayce will make reasonable efforts to investigate and credit or return incorrect or inaccurately referenced payments to or from the Account(s), where possible.

- 5.2. The transfer of funds by Customer or other payers to the Account(s) is a service rendered by Third Party Providers and is not part of the Issuing Solution(s). Outpayce has no control over and makes no representations regarding the time required by a payee's bank or payment service provider to credit the funds to the payee's account.
- 5.3. Upon receipt of the funds in the Account(s), Outpayce will issue the equivalent E-money at face value.
- 5.4. Outpayce will not charge any fees for loading funds into the Account(s).

6. Payment transactions

6.1. Limits and restrictions

6.1.1. Outpayce's limits and restrictions

- (i) Outpayce may impose temporary or permanent restrictions on the Customer's use of, or merchants or type of merchants eligible for, the Issuing Solution(s) (i) to comply with Applicable Law(s), Industry Mandates or Guidelines or (ii) to manage fraud risk, or (iii) if Outpayce suspects that the Customer has breached the Issuing Agreement. These restrictions will be communicated at the time the restriction is put in place or, if that is not possible under Applicable Law(s), Industry Mandates or Guidelines or due to urgent or unforeseen circumstances, as soon as reasonably practicable after such restrictions are imposed.
- (ii) Outpayce may apply limits to the amount of any single Payment Transaction or to a series of Payment Transactions. Outpayce may also impose limits on the number of Card(s) the Customer may request or that the Customer has active at any given time. Where permitted, Outpayce will inform the Customer of such limits.

6.1.2. Customer's limits and restrictions. The Customer may request that Outpayce apply specific restrictions to (i) the amount of any single Payment Transaction or to a series of Payment Transactions; and/or (ii) the location, merchant(s), or types of merchant(s) where the Issuing Solution(s) may be used. Outpayce will implement the requested restrictions where reasonably practicable and subject to the Issuing Agreement, including any applicable charges to cover additional costs. Outpayce will inform the Customer of the approval of such request.

6.2. Confirmation

- 6.2.1. Outpayce will issue the Confirmation when the Customer instructions have been satisfactory, in Outpayce's reasonable opinion, for the provision of the Issuing Solution(s).
- 6.2.2. With the issuance of a Confirmation, the Payment Transaction (i) has been authorized and (ii) can no longer be cancelled.
- 6.2.3. The Customer will have enough funds in the Account(s) to cover the full amount of the Payment Transaction (including the Charges).
- 6.2.4. Outpayce will deduct the amount of the Payment Transaction from the Account(s) immediately upon issuance of a Confirmation. The amount of the Payment Transaction provided for in the Confirmation becomes due and payable on the date indicated in the Confirmation. On such date, the Customer funds will cease to be deemed E-money and the Customer's balance will be deducted accordingly and credited in favor of the beneficiary. If

such date is not a Business Day or Outpayce receives the Customer's instructions on a Business Day but after the cut-off time for the relevant currency, then the date will be the next Business Day.

- 6.2.5. Outpayce may require the Customer to confirm their identity before authorizing any Payment Transaction. In addition to the authorization of Payment Transactions by Outpayce, Payment Transactions with Card(s) may be subject to authorization through the Card Schemes or other payment systems.

6.3. Reception and execution time

6.3.1. If the Customer makes a Payment Transaction, Outpayce will remit the funds within twenty-four (24) hours after receiving the Customer's instructions and, at the latest, by the end of the following Business Day.

6.3.2. Outpayce may reasonably decide to cancel or delay the execution of the Payment Transaction, by rolling it over to the next Settlement Date or Payment Date, as applicable, due to circumstances beyond Outpayce's control (e.g., impossibility of payment in the designated currency).

6.4. Reversals

6.4.1. Outpayce may need to reverse a Payment Transaction and either deduct funds credited to the Account(s) or return funds debited from the Account(s) due to (i) the sender, or any relevant payment service provider, reversing a Payment Transaction or being likely to reverse a Payment Transaction; (ii) the sender making a transfer to the Customer by mistake; (iii) Customer providing Outpayce with incorrect instructions for the Payment Transaction; (iv) Outpayce suspecting that a Payment Transaction is fraudulent, or is in breach of the Issuing Agreement, the Applicable Law(s), Guidelines, Industry Mandates and/or PCI DSS; (v) Outpayce exercising its suspension or termination rights under the Issuing Agreement (each, a "**Reversal Event**").

6.4.2. If the Customer does not have enough funds in the Account(s) for Outpayce to make a deduction due to a Reversal Event, the Customer will reimburse Outpayce within five (5) calendar days from the Reversal Event.

6.4.3. The applicable currency to a Reversal Event will be the currency of the original Payment Transaction.

6.5. Refunds

6.5.1. Outpayce will refund the Customer, and restore the Account(s) to the position it would have been, no later than the end of the Business Day following the day on which Outpayce becomes aware of unauthorized, non-execution of, defective execution of, or incorrectly executed Payment Transactions, to the extent they are eligible under Applicable Law(s) and the Issuing Agreement.

6.5.2. The Customer may not be entitled to a refund, and the Customer will be solely responsible for the relevant Payment Transaction in the event that:

- (i) Outpayce determines that the Customer should have been aware of such unauthorized use;
- (ii) the security credentials or the Issuing Solution(s) are lost or stolen, or the Customer has not taken reasonable measures to prevent the unauthorized use;
- (iii) Outpayce suspects that the Customer, or any person acting on Customer's behalf (including, but not limited to, the Authorized Users), has acted fraudulently or recklessly;
- (iv) Outpayce determines that it has used the details provided by the Customer to execute the Payment Transaction. Outpayce may make reasonable efforts to assist the Customer in recovering the payment amount, without any guarantee of success and may charge fees for doing so;
- (v) Outpayce cannot be made liable under Applicable Law(s); or
- (vi) the Customer fails to promptly notify Outpayce, and in any case, within three (3) months from the date of the relevant Payment Transaction.

- 6.5.3. Where Outpayce refunds the Customer, the credit value date applied for the Account(s) will be no later than the date on which the amount of the relevant Payment Transaction was debited.
- 6.5.4. If a refund has been issued to the Customer, and Outpayce demonstrates the existence of any of the circumstances provided for in Clause 6.5.2, the Customer must reimburse Outpayce for the value of the relevant Payment Transaction.
- 6.5.5. Any refund obtained by Customer through a declaration of a fraudulent Payment Transaction that turns out not to be fraudulent will be reclaimed from available funds in the Account(s). Where there are insufficient funds in the Account(s) to return the refunded amount, the Customer will fully reimburse Outpayce, who may, at its sole discretion, decide to suspend the Issuing Solution(s) whilst funds are reclaimed by Outpayce.
- 6.5.6. If the Customer receives a refund to the Card(s) in a Supported Currency, Outpayce will credit the Account(s) in the Supported Currency (without carrying out any currency conversion). If the Customer receives a refund in any currency other than a Supported Currency, that amount will be converted into the Base Currency before being credited to the Account(s) at an exchange rate determined by the Card Schemes (which may be different to the exchange rate for the original Payment Transaction).
- 6.5.7. Refunds of Payment Transactions made through the Card(s) will be credited to the balance of the Account(s) and cannot be made through other means (e.g., through cash).

6.6. Right to withhold, reject or delay

- 6.6.1. Outpayce reserves the right to withhold, reject, or delay any payment transaction if (i) Outpayce is required to do so by Applicable Law(s), Guidelines, PCI DSS or Industry Mandates, (ii) no valid exchange rates are available from Outpayce's banking partners, liquidity providers, or other financial institutions; (iii) any applicable limits, from time to time, in accordance the Issuing Agreement are exceeded; (iv) there is a risk or suspicion of being a fraudulent Payment Transaction; (v) the Customer has breached Customer's obligations under the Issuing Agreement; and (vi) the balance of the Account(s) is insufficient (including any Charges or merchant surcharges that may be applicable).

7. Card(s) management and use

- 7.1. The Customer cannot use a Card(s) after its expiry date. The Customer can view the Card(s) Details that have been issued in connection with the Account(s). The Customer may request any of those Card(s) to be cancelled or temporarily suspended at any time. The Customer will remain liable for all Payment Transactions made through the Card(s) prior to its cancellation and for all Payment Transactions posted to the Account(s) in respect of the period up until the Card(s) is cancelled.
- 7.2. The Customer may pre-authorize the estimated amount, or a certain percentage, of the final amount of a Payment Transaction made with Card(s) for the benefit of a merchant. The amount of the pre-authorization may be reflected in the balance of the Account(s) and made unavailable for future purchases. Once Outpayce becomes aware of the final amount of such Payment Transaction, any portion of such pre-authorized amount which is not applied towards the payment of merchant's products or services will then be made available to the Customer. A merchant may apply a pre-authorization to the Card(s) for up to thirty (30) calendar days. Outpayce is not entitled to cancel a merchant's pre-authorization, and the Customer has the responsibility to contact the relevant merchant with questions relating to a pre-authorization during these thirty (30) calendar days. When any unapplied pre-authorization expires, any remaining funds will be made available to spend on the Account(s).
- 7.3. Card(s) may be used to make Payment Transactions in the Supported Currencies and certain Card Scheme Supported Currencies. Thus, if a Payment Transaction is in a Card Scheme Supported Currency that the Customer can hold in the Account(s), the amount of such Payment Transaction will be deducted from the balance of the Account(s) in that Card Scheme Supported Currency. However, if a Payment Transaction is in a Card Scheme Supported Currency that cannot be held in the Account(s), the amount of such Payment Transaction will be converted from the balance of the Account(s) maintained in the Base Currency using the foreign exchange rates

determined by the Card Schemes for that Payment Transaction. Customer acknowledges and agrees that Outpayce has no control over the rates selected by Card Schemes and Card Schemes may charge the Customer a fee as part of this conversion process.

- 7.4. If the balance of the Account(s) in a Supported Currency or in a Card Scheme Supported Currency is insufficient to execute a Payment Transaction, the Payment Transaction will be rejected.
- 7.5. The Issuing Agreement does not prevent the Customer from giving their log in and password details to a Third Party Provider (e.g. the provider of a website or app that allows Customer to see information about Customer's different accounts in one place and to initiate payments from such accounts) for it to access the Account(s) if the Customer has allowed such Third Party Provider to act on the Customer's behalf and it is permitted by Applicable Law(s).

8. Suspension

- 8.1. Outpayce may at its sole reasonable discretion suspend all or part of the Issuing Solution(s) if:
 - 8.1.1. Outpayce is required to do so by Applicable Law(s), Guidelines, PCI DSS or Industry Mandates;
 - 8.1.2. Outpayce suspects that there is fraud or a security issue or that the Issuing Solution(s) are being used for an illegal purpose;
 - 8.1.3. the Customer has breached the Issuing Agreement, including but not limited to, the obligations provided for in Clause 3.3; or
 - 8.1.4. the Customer is causing technical problems, damage or interruption to the Issuing Solution(s), which results in inefficient or improper use of the Issuing Solution(s), or a negative impact on the performance of services to other users;
- 8.2. Outpayce will notify the Customer of any suspension as soon as practicable, and where permitted, before the suspension is put in place, or immediately after, unless it would compromise any reasonable security measures, or it contravenes the Applicable Law(s), Guidelines, PCI DSS or Industry Mandates.
- 8.3. Outpayce will have the right to undertake any necessary steps, in Outpayce's reasonable opinion, to mitigate the impact or risk.
- 8.4. The Customer will take appropriate measures to remedy the problem as soon as reasonably practicable within ten (10) calendar days after notice thereof.
- 8.5. Outpayce will lift the suspension as soon as practicable after the reasons for the suspension have ceased to exist and allow the Customer to use the Issuing Solution(s), and where applicable, replace the affected Card(s).
- 8.6. Outpayce will not be liable to the Customer or any Third Party for any loss suffered as a result of the suspension of the Issuing Solution(s) or an authorization not being granted.

9. Force Majeure and Market Disruption

- 9.1. Force Majeure. Neither Party will have any liability under the Issuing Agreement if it is prevented from or delayed in performing its obligations (except payments obligations), or from carrying on its business, by acts or events beyond its reasonable control, including but not limited to, acts of God, natural disasters (e.g., fire, flood, earthquake, elements of nature), hostilities, epidemic, pandemics, acts of terrorism or crime including cybercrime, riot, explosion, sabotage, acts of government, change of Applicable Law(s) (except otherwise contemplated in the Issuing Agreement) and general lock-outs and/or industrial disputes (to the extent that such lock-outs and/or industrial disputes do not affect only one Party's own personnel) (each, a "**Force Majeure Event**").
- 9.2. Market Disruption. Outpayce may suspend Payment Transactions and will have no responsibility arising therefrom when such suspension is due to the occurrence of events beyond Outpayce's reasonable control affecting financial markets including, but not limited to, suspension or material limitation of interbank payment systems or clearing networks, extreme volatility or unavailability of reference exchange rates or interest benchmarks, and/or regulatory

or governmental actions restricting currency conversion or cross-border transfers (each, a “**Market Disruption Event**”).

9.3. Consequences of a Force Majeure Event or a Market Disruption Event. If any Party, as applicable, becomes affected by a Force Majeure Event or a Market Disruption Event, such Party will (i) promptly notify the other Party in writing of the nature, impact and likely duration of the event and provide the other Party with written evidence; (ii) use commercially reasonable efforts to mitigate or minimize the effects; and (iii) resume full performance of its obligations under the Issuing Agreement after the cessation of the Force Majeure Event or the Market Disruption Event.

10. Charges and surcharges

10.1. Charges

10.1.1. Customer will pay the Charges to Outpayce within thirty (30) calendar days since issuance of the Customer’s invoice.

10.1.2. Charges will be either paid as part of the Payment Transaction or claimed separately to the Customer. Outpayce will pass through any fees charged to Outpayce by Third Party Providers attributable to the use of the Issuing Solution(s) by the Customer.

10.1.3. Customer authorizes Outpayce to deduct the Charges, and any other amounts that Customer owes Outpayce from time to time, from the funds in the Account(s). Outpayce may also, at the Customer’s cost, take reasonable steps to recover the unpaid amounts which may include, but are not limited to, initiating legal proceedings or engaging third-party debt collection services. Any costs incurred in connection with such recovery efforts will be borne by the Customer. Outpayce may levy interest on Charges and, if Outpayce advances any sum to the Customer, on the repayment amount. Interest will accrue from the date the Charges become due or the date of payment of the advanced sum until repayment is made in full at (i) the base rate published by the European Central Bank on the date that the amounts became overdue, plus three percent (3%) or, (ii) if lower, the prevailing maximum statutory rate allowed by Applicable Law(s).

10.2. Surcharges

10.2.1. The Customer may be charged a surcharge by merchants as a result of the use of the Card(s). The surcharge may be applied once the Customer has confirmed the amount of the Payment Transaction. This surcharge may appear as a separate Payment Transaction or as part of the entire purchase amount. Once the Customer has confirmed the Payment Transaction, the Customer will not be able to dispute the surcharge amount.

11. Chargebacks

11.1. Outpayce may, on Customer’s behalf, dispute Payment Transactions made using the Card(s) provided that (i) the Payment Transaction has settled and (ii) Customer has a complaint against the relevant merchant under the grounds provided for in the Card Schemes’ rules.

11.2. Prior to submitting a chargeback request, the Customer must (i) have attempted to amicably resolve the complaint directly with the merchant or (ii) provide evidence that such resolution is not possible (e.g. where a merchant has ceased trading).

11.3. The Customer will carefully review the Customer’s transaction history and notify Outpayce of a disputed Payment Transaction following the Outpayce Chargeback Guide. The operating rules of the Card Schemes impose time limits for raising a dispute. If the Customer does not notify Outpayce in time, Outpayce may be unable to investigate or lodge a claim and the Customer will be liable for the Payment Transaction. Outpayce is not responsible for any loss due to the Customer not advising Outpayce to dispute a Payment Transaction in time.

11.4. The Customer must assist Outpayce by providing all necessary information about the relevant disputed Payment Transaction.

- 11.5. Outpayce reserves the right to assess the merits of any chargeback request and to reasonably determine whether such request should be submitted to the Card Schemes' chargeback process.
- 11.6. The Customer will act responsibly and in good faith when initiating any chargeback-related requests and cooperate with Outpayce to ensure that Outpayce is not penalized by the Card Schemes or regulators in connection with the handling of such requests on behalf of the Customer.
- 11.7. Outpayce will not credit-back any disputed amount to the Account(s) until the Card Schemes' chargeback process has been fully concluded, and only if the Customer is entitled to reimbursement in accordance with the Card Schemes' rules.
- 11.8. Further details regarding the handling of chargebacks by Outpayce are provided for in the Outpayce Chargeback Guide, which Outpayce will make available to the Customer from time to time.

12. LIMITATION OF LIABILITY

- 12.1. EXCLUDED LOSSES. TO THE EXTENT PERMITTED BY APPLICABLE LAW(S), OUTPAYCE WILL NOT BE LIABLE FOR (I) LOSS OF REVENUES, PROFITS, GOODWILL, OPPORTUNITIES OR ANTICIPATED SAVINGS OF ANY PARTY (WHETHER DIRECT, INDIRECT OR CONSEQUENTIAL) INCLUDING THIRD PARTIES', OR (II) INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, CONSEQUENTIAL, SPECIAL OR OTHER SIMILAR DAMAGES (TOGETHER, "**EXCLUDED LOSSES**") ARISING OUT OF OR IN CONNECTION WITH THE ISSUING AGREEMENT, WARRANTY, TORT OR OTHERWISE OR ANY BREACH HEREOF, REGARDLESS OF HOW THEY ARISE AND EVEN IF ADVISED IN ADVANCE OF THE RISK OF SUCH EXCLUDED LOSSES.
- 12.2. LIABILITY CAP. THE PARTIES FURTHER AGREE THAT THE PARTIES' TOTAL AGGREGATE LIABILITY FOR ALL CLAIMS DURING THE TERM OF THE ISSUING AGREEMENT WHETHER IN CONTRACT, EQUITY OR OTHERWISE (INCLUDING, WITHOUT LIMITATION, BREACH OF WARRANTY, NEGLIGENCE AND STRICT LIABILITY IN TORT) AND ARISING OUT OF OR IN RELATION TO THE ISSUING AGREEMENT WILL NOT EXCEED AN AMOUNT EQUAL TO TWENTY THOUSAND (20,000) EUROS (THE "**LIABILITY CAP**").
- 12.3. EXCLUSIONS TO THE LIABILITY CAP. THE LIABILITY CAP WILL NOT APPLY TO (A) SUMS ACCRUED AND UNPAID UNDER THE ISSUING AGREEMENT; AND (B) DAMAGES (OTHER THAN EXCLUDED LOSSES) ARISING FROM BREACHES OF CLAUSE 18 (CONFIDENTIALITY) OF THE ISSUING AGREEMENT; OR (C) ANY INDEMNIFICATION OBLIGATIONS PROVIDED FOR IN THE ISSUING AGREEMENT.
- 12.4. NO EXCLUSION OF LIABILITY. NOTHING IN THE ISSUING AGREEMENT WILL BE CONSTRUED AS IN ANY WAY REDUCING OR AFFECTING THE GENERAL DUTY OF A PARTY TO MITIGATE LOSSES SUFFERED BY SUCH PARTY, OR AS EXCLUDING OR LIMITING THE LIABILITY OF A PARTY FOR (I) GROSS NEGLIGENCE, (II) WILLFUL MISCONDUCT; (III) FRAUD; (IV) FRAUDULENT MISREPRESENTATION; OR (V) DEATH OR PERSONAL INJURY.

13. INDEMNITY

- 13.1.
